Re: Invitation to attend MICCAI 2026 Conference, Strasbourg, France, September 27 – October 1, 2026

MICCAI 2026, the **29th International Conference on Medical Image Computing and Computer-Assisted Intervention (MICCAI)**, will be held from September 27 to October 1, 2026, in Strasbourg, France.

The MICCAI international conference has been organized every year since 1998. The 29th edition will take place in France, marking a significant milestone for the scientific community worldwide. MICCAI 2026 will be organized through international collaboration among many universities and research institutions worldwide. We expect over 2,000 world-leading scientists, engineers, and clinicians from a wide range of disciplines related to medical imaging and computer-assisted surgery to attend this year's MICCAI conference.

Naima Boukhiar has been invited to Strasbourg on the above dates to attend the MICCAI 2026 conference, which will be held at the Strasbourg Convention Center. **Naima Boukhiar** is a recipient of the **MICCAI Society Registration Grant**. The **MICCAI Society Registration Grant** supports selected members of the MICCAI Community in attending the annual MICCAI conference to present their work by waiving the recipient's conference registration fee, valued at 810 euros. In this respect, we request that your respective office grant Naima Boukhiar an entry visa to France from September 27 to October 1, 2026, to allow timely participation in the conference.

Attendees granted visas are required to abide by the French government regulations and register to attend the conference between September 27 and October 1, 2026.

Should you require any further details on this conference, please visit our website at: https://conferences.miccai.org/2026/en/default.asp or contact the Conference Management at **registration@miccai2026.org or** by phone: +90 212 347 63 00.
